Do you agree to allow pictures of you and any family members to be taken in the club or at events attended by club members?\*

- Yes       No

\* Occasionally we wish to take pictures of our scholastic players for the club website and to raise awareness of the club and seek sponsorships. We do this in a fully appropriate way and never for any commercial purpose. We simply want to be able to show pictures of our members on our website and when publicizing our club and chess activities.
